## Dear Friends and Citizens:

It has been an honor serving you during my first term in office. Known for my preparedness, honesty, integrity, and commitment, I have learned a tremendous amount about community planning and zoning, parks and recreation, public works, transportation, municipal law, and budgeting. I have also learned how to be more effective and respectful in a challenging, political environment.

A review of my record shows that I did exactly what I said I would do during my first term in office:

- Proven fiscal conservative
- Supported smart growth and development
- Preserved our rural, equestrian character
- Improved development standards in the Hwy. 9/Deerfield area
- Enhanced public safety
- Expanded parks and recreation
- Funded road, intersection, and bridge improvements

An elected official who can be trusted to do what he says he will do is refreshing in American politics today. There is more to accomplish, and my unique combination of energy and proven commitment, experience, and leadership abilities will be vital to getting it done.

I ask for your vote on November 8. Together, we can ensure that Milton remains the gem of Georgia.

**Alan Tart, Council Member (District 6, At-Large)  
Milton, GA**

**RE-ELECT**

**ALAN TART**

**MILTON CITY COUNCIL • DISTRICT 6**
